

Redemption song *Bob Marley*

SOL DO RE SOL DO SOL (X2)

SOL MI-
Old pirates, yes, they rob us;

DO SI- LA-
Sold I to the merchant ships,

SOL MI-
Minutes after they took I

DO SI- LA-
From the bottomless pit.

SOL MI-
But my hand was made strong

DO SI- LA-
By the hand of the almighty.

SOL MI-
We forward in this generation

DO RE
Triumphantly.

RE SOL
Won't you help to sing

DO RE SOL
These songs of freedom?

DO RE MI-
'cause all I ever had:

DO RE SOL
Redemption songs;

DO RE SOL DO RE
Redemption songs.

SOL MI-
Emancipate yourselves from mental slavery;

DO SI- LA-
None but ourselves can free our minds.

SOL MI-
Have no fear for atomic energy,

DO SI- RE
'cause none of them can stop the time.

SOL MI-
How long shall they kill our prophets,

DO SI- LA-
While we stand aside and look? ooh!

SOL MI-
Some say it's just a part of it:

DO RE
